# From strategy to execution:

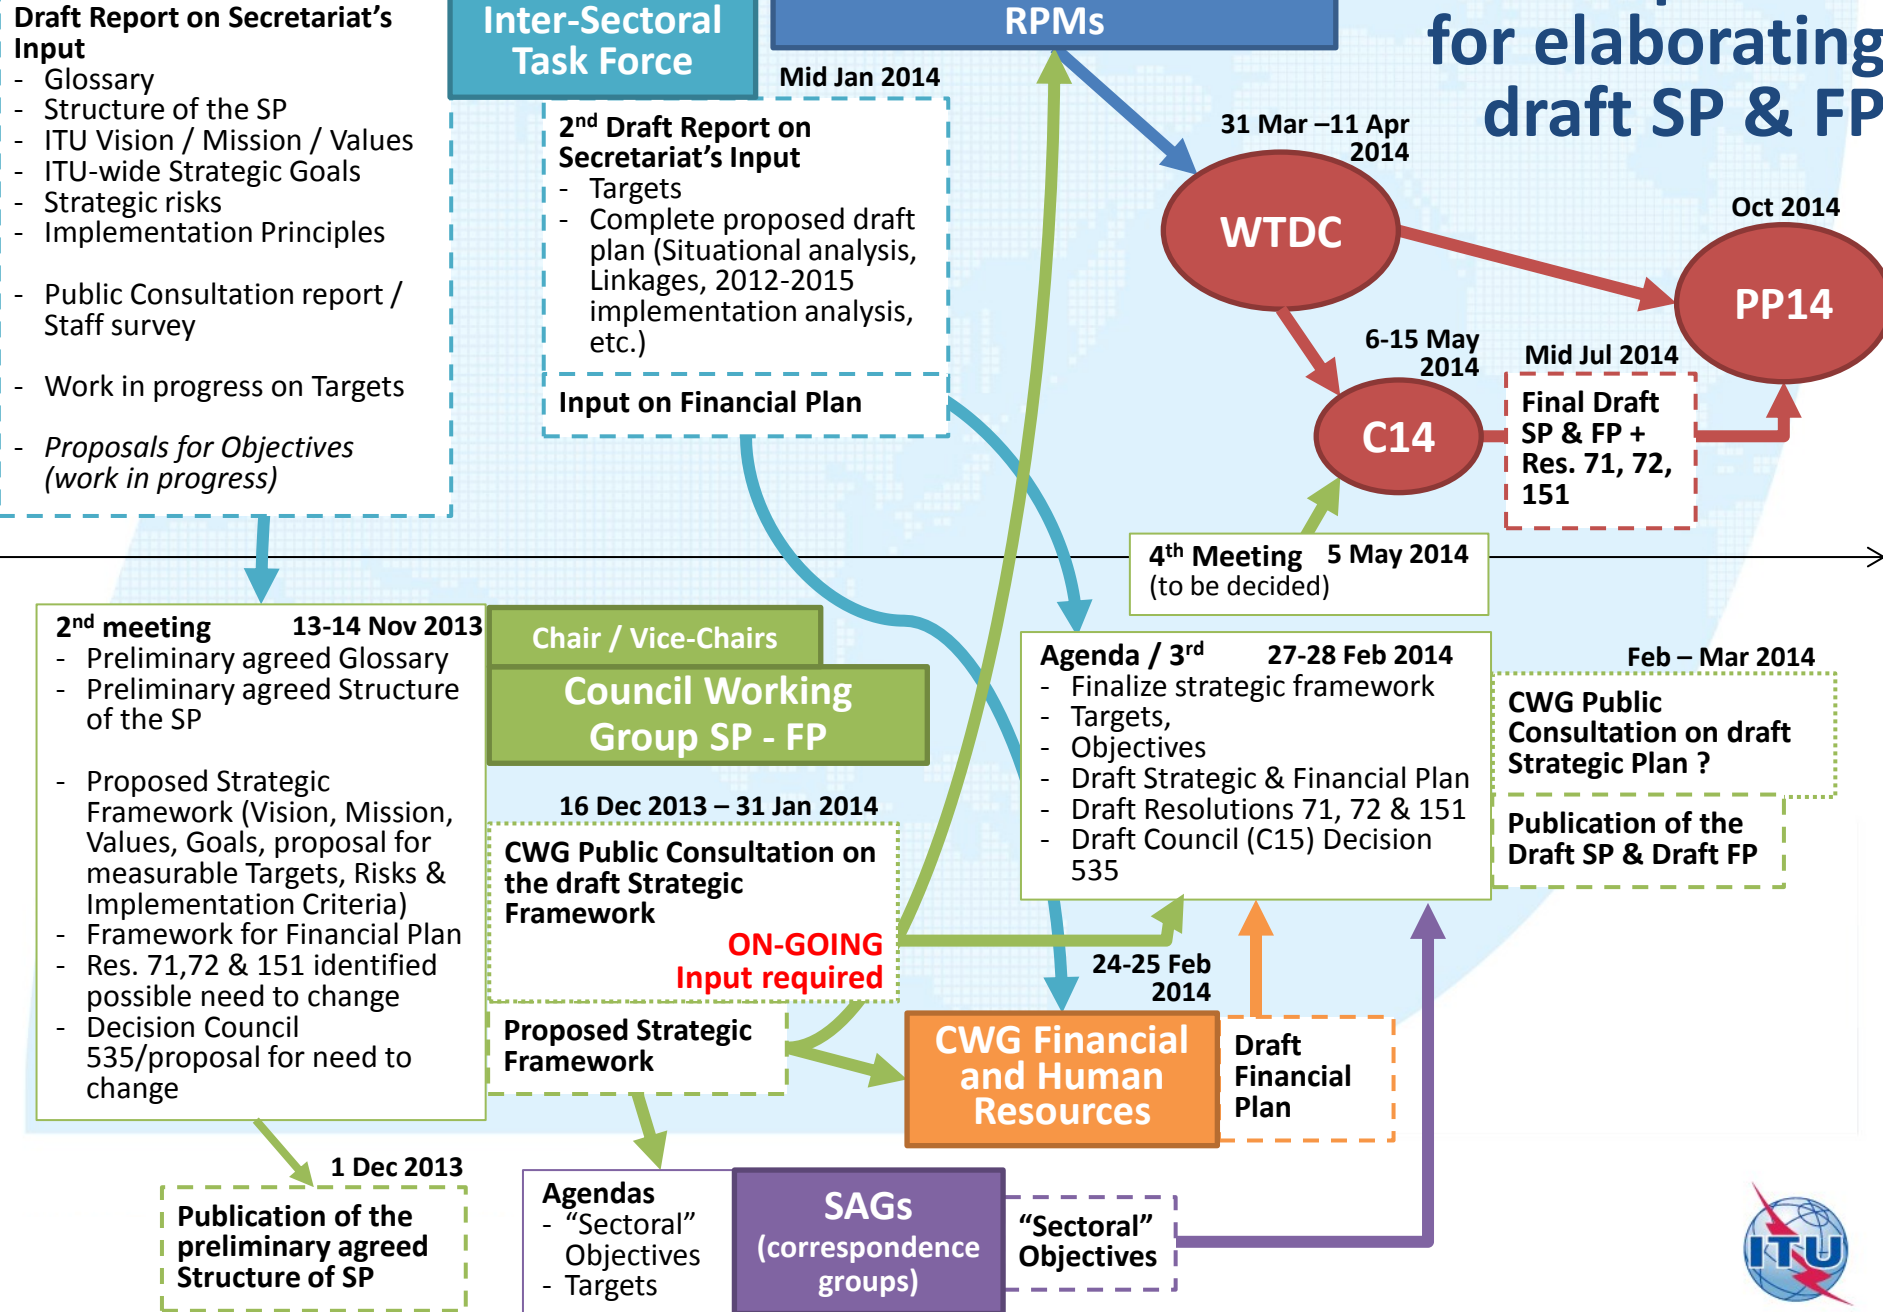

## Implementation Criteria

- **Follow ITU values**
- **Follow results-based management (RBM) principles, including:**
  - Monitor & evaluate performance
  - Identify, assess and mitigate risks
  - Results-based budgeting (RBB)
  - Impact-oriented reporting
- **Implement efficiently**
  - Value for money
- **Aim to mainstream UN recommendations and apply harmonized business practices**
- **Work as One ITU**
  - Secretariat support for implementation through cohesive operational planning
  - Avoid redundancies and duplications, maximizing synergies
- **Long-Term development of the organization to sustain performance and relevance of expertise**
  - Learning Organization
  - Investment in Staff
- **Prioritization**
  - **Added value**
    - Unique value ITU can contribute, outcomes that would not be achieved otherwise
    - Involvement where and to the extent ITU adds a significant value
    - Not prioritize activities that other stakeholders can undertake
    - Available expertise to implement
  - **Impact (and focus)**
    - Impact for the larger constituency while considering inclusiveness
    - Fewer activities with greater impact, rather than many with diluted impact
    - Consistency, contribution to the one big picture
    - Activities with tangible results
  - **Membership needs**
    - Demand-driven / customer-oriented approach
    - Prioritize activities that Member States cannot implement without ITU

### Call for Contributions to ITU's Strategic Plan 2016-2019

In June, ITU Council launched a public consultation process on the **development of a new ITU Strategic Plan for 2016-2019**, which will be approved at ITU's next [Plenipotentiary Conference](#), to be held in Busan, Korea, in October 2014.

The ITU Council Working Group for the Elaboration of the Draft Strategic Plan and the draft Financial Plan for the Union for 2016-2019 is mandated to develop a coordinated draft of this strategic plan. To do this well, **it is vitally important to consider everyone's opinions, ideas and proposals** on where ITU should prioritize its efforts in the post-2015 era.

#### PUBLIC CONSULTATION

We encourage all interested parties to provide inputs to the following documents via our online platform or submit your written contributions directly by email to [strategic-planning@itu.int](mailto:strategic-planning@itu.int) by **January 31, 2014**.

- ▶ [Contribution by the Chairman / proposed strategic framework](#)

#### MESSAGE FROM THE SECRETARY-GENERAL

I would like to invite you to further contribute to the ongoing discussions on ITU's strategy and priorities for the coming years.

As many of you are already aware, the International Telecommunication Union is currently developing its Strategic Plan for 2016-2019. And we want the views and inputs from all stakeholders to be considered and discussed...
