Subject

Vacancy of the 2nd Vice-Chairman of CPG within the ECC

Dear Colleagues,

The Vice-Chairmen of the Conference Preparatory Group (CPG) of the ECC are appointed to support the Chairman of the CPG in the preparation of the forthcoming World Radiocommunication Conference (WRC) and the associated Radiocommunications Assembly. One of the two posts is currently vacant.

According to the ECC Rules of Procedure (the relevant Articles 8 and 9 are attached as Annex 1), I invite CEPT Members to consider submitting candidates for the post of the 2nd CPG Vice-Chairman. The Terms of Reference of the CPG are attached as Annex 2.

The next CPG Plenary meeting, during which the appointment will be made, will be held in Riga, Latvia, 25th - 28th March 2014. I therefore invite the Administrations to inform me of any candidates for the post mentioned above, including a brief Curriculum Vitae (CV), by Friday 21st February 2014 at the latest, so that Administrations have time to consider the merits of the candidates.

Nominations received will be posted, for group members only, on the ECO website in the folder for the CPG15-4 meeting.

Yours sincerely,

Alexander Kühn

Chairman CEPT Conference Preparatory Committee
