Dear Alexander,

CPG Vice Chairmanship

On behalf of the United Kingdom, I have the pleasure of nominating Dr Tony Azzarelli for the vacant position of CPG Vice-Chairman.

As you know, Tony is currently Chairman of CPG PTA and brings with him a wealth of experience across the satellite and science services sectors as well as on more general international spectrum policy matters. Tony has been an active participant at past ITU World Radio Conferences, both on the UK and commercial delegations, and has a long track record of involvement in CEPT and ITU meetings. Tony's full CV is attached.

The United Kingdom is confident that Tony would be an excellent candidate as Vice Chairman of CPG.

Yours sincerely
