Dear members of CERP,

I have the pleasure to invite you to attend the 57<sup>th</sup> CERP Plenary Meeting, hosted by the Spanish Ministry of Transport, Mobility and Urban Agenda, which will be held on the 28<sup>th</sup> and 29<sup>th</sup> of June 2022 in Madrid, Spain.

After two years of plenary virtual meetings, we need to discuss physically the new challenges the postal sector has to face in this new UPU cycle starting with the election of the new management team during the last year's Congress in Abidjan, and the new postal regulatory framework at EU level.

It will be also an opportunity to share our concerns and knowledge with two other important organizations like the ERGP and PUASP, taking place a joint meeting with them on the 29<sup>th</sup> of June.

The venue of the meeting (C. Dr. Esquerdo, 36, 28028 Madrid) will be the Museum Conference Rooms of the La Fábrica Nacional de la Moneda y Timbre created in 1893 from the merging of two age-old organizations, namely La Casa de la Moneda (The Mint) and the Fábrica del Sello (The Stamp Factory), <https://www.fnmt.es/en/institucion/informacion-institucional>

We will be delighted to see you in Madrid where we hope you will enjoy a very pleasant stay.
