NOTE FOR THE ATTENTION OF THE PARTICIPANTS TO FM56#12

Subject: Practical information

The Beaulieu EC site is located in the southeastern outskirts of Brussels. It is well connected to public transport, notably via metro line 5 (BEAULIEU station). Beaulieu 33 is the first building on your left when you exit the metro station from the main entrance.

It is suggested that you find a hotel downtown.

From the airport

By **train + metro**: from level -1 there are trains about every 20 minutes linking Brussels Zaventem airport to Brussels Schuman (Rail+metro) station. Travel time is about 15 minutes, price: 8,90€. From Schuman take metro 5, direction Hermann Debroux, and step out at BEAULIEU (travel time less than 15 minutes, price for a single ride: 2,10€). If you are heading downtown (to your hotel), take any metro from Schuman in the opposite direction (that is: “Erasme” or “Westation/Gare de l’ouest”).

By **bus + metro** from level 0, take **bus 12 –Airport express**. Compared to the rail option, the trip is longer and less comfortable. However, with one single ticket (4,50 € from vending machine, 6,00 € from the driver) you can continue on the metro to your final destination from Schuman.

Taxi: Brussels Airport is roughly on the same “side” of the city as Beaulieu. A taxi ride to Beaulieu takes about 25’ and costs about 40 €.

From railway station(s)

From Gare du Midi take metro 2 or 6 and change to metro 5 at Arts-Loi station. About 30 minutes total travel time.

Gare Centrale and Schuman are served directly by metro 5.

Coming by car

If you plan to come to Beaulieu by car, please contact without delay giuseppe.rizzo@ec.europa.eu as parking places for visitors in the EC building are extremely limited and assigned on a first come first served basis. Parking places on the street are also quite limited.

Meeting point on 29 January morning will be in the lobby of Avenue de Beaulieu 33, 1160 Brussels. When you arrive, please complete your registration at the desk. Please remember to provide I.D. information at least 48 hours prior to the meeting via the EC weblink provided in the invitation.
