### How to get to the Bundesnetzagentur/Federal Network Agency Mainz office

**Federal Network Agency**  
**Canisiusstraße 21**  
**D-55122 Mainz**  
**Germany**

#### **By car**

Leave the A 643 motorway (linking the A 60 and A 66 motorways) at Mainz-Gonsenheim, and follow the signs for "Federal Network Agency for Electricity, Gas, Telecommunications, Post and Railway": turn right towards Mainz-Gonsenheim, left at the third set of traffic lights into Canisiusstraße.

The office is the first building on the left; visitors' parking is beyond the barriers to the left of the vehicle entrance gates.

#### **By train**

From Mainz Central Station (Mainz Hauptbahnhof) take the no 50 tram for Finthen/Römerquelle or the no 51 tram for Finthen/Poststraße to the Elbestraße stop. Travelling time is about 12 minutes. The office is about 300 meters walk from here: go down Werrastraße, turn left at the end into Canisiusstraße, and the office is on your right.

Alternatively: Take the no 57 bus (for "Gonsenheim/Wildpark") to the Canisiusstraße stop. Travelling time is about 13 minutes. The Bundesnetzagentur office is about 150 meters walk from here.

#### **By plane**

From Terminal 1 at Frankfurt/Main airport take the no S 8 train for Wiesbaden to Mainz Central Station (Mainz Hauptbahnhof). Tickets must be bought before the journey at the machines. Travelling time is about 30 minutes. Then continue as by train.

Alternatively you could order a Taxi as well (60 – 80 €). The ride from the Airport to our Building in Mainz Gonsenheim by train and tram costs 4,65 €. Take the "RMV" Ticket machines and push the button for direction "Mainz". The machine will ask "via Frankfurt" or via "Rüsselsheim". Take the "via Rüsselsheim" route as it is cheaper and more directly. The ticket is valid up to Station "Elbestraße"!
